## Bernese Mountain Dog Club of America Draft Test Purpose

*The Bernese Mountain Dog Club of America Draft Test is a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.*

Spectators are welcome at these draft tests and are encouraged to applaud and cheer for the working dog. Dogs who are not entered may be present, but **must be leashed or crated at all times**, and must not interfere with the test in any way. Please keep away from ringside, entrance gate, and freight haul. Please remember to pick up after your dog, and do not allow your dog to potty near the ring or the freight haul course!
